Note: When two competitors finish tied, they split points for two positions. For example, if there is a tie for 3rd place, the two competitors split the 6 points for 3rd place and 4 points for 4th place, each contestant thus earning 5 points for his team. On the chart, such a finish is designated as half a 3rd place and half a 4th place finish so that the arithmetic works according to rule.

Ribbon Winners, Level II, Grades 7-9
