3. Each entry must have been created since the last Regional Competition.
4. Entries may not include likenesses or representations of any copyrighted or licensed artwork or characters (such as characters or recognizable environments from animated films or any form of sequential art) in part or in whole, unless written permission is obtained from the copyright owner. Use of such artwork is a violation of international copyright law.
5. Existing artwork or photographs may not be copied in the same medium.

General Rules for Photography Categories

1. The print may not have obvious "touch up" work. Good retouching, whether digital or analog, cannot be detected.
 - a. Retouching work should be limited to enhancements and modifications that improve the presentation of the image but do not change the truth of the original story. The photographer may not add or replace elements in an image. Red-eye removal and spot editing are permitted.
 - b. Retouching may only include the use of corrective functions to improve the natural appearance (for example: levels, contrast, brightness, curves, intensity, tone, hue, saturation, color balance, etc.).
 - c. Artistic filters may NOT be used.
 - d. Retouching is part of the creative process. Good retouching cannot be seen and poor retouching will be graded against; therefore, graphics and text must not be included.
2. The print will be judged on the basis of composition, aesthetic appeal, and originality.
3. The name of the student, the school, and the school address must be on a label in the top center location on the back of the print.
4. The minimum print size is 7 x 10 inches.
