

Why Your School Should Join the Maryland Association of Christian Educators

Reason #5 - Athletics

In cooperation with ODACS, MACE membership will afford schools many opportunities for athletic competition in a Christian atmosphere. While it is common for schools to place an improper emphasis on sports, the Christian school athletic program should strive to teach students to exhibit Christ-honoring sportsmanship while doing their very best, and it should be characterized by conservative standards in dress and conduct. Regardless of the size of your school, MACE membership will give your students an opportunity to compete.
